Kelowna BC V1X 7L4

Hello,

You've been recognized as a contractor who has installed many rebate-eligible upgrades that help customers save energy in their home. Thanks for continuing to support our Home Renovation Rebate Program.

We wanted to inform you that customers can now receive up to \$9,800 in rebates for energy efficient home renovations.

A quick summary of available upgrade rebates*

- **Insulation** (Attic, exterior wall, basement/crawlspace, other): up to \$1,200
- **Heat pumps** (mini- and multi-split, central): up to \$2,000
- **Natural gas furnaces and boilers:** up to \$700
- **Fireplaces:** \$300 rebate
- **Windows and doors:** up to \$1,000
- **Water heating:** up to \$1,000

Bonus offers

- **Two Upgrade Bonus**, \$300 bonus for 2 or more upgrades
- **EnerGuide Home Evaluation**, \$300 bonus for pre- and post-upgrade evaluations
- **Home Energy Improvement Bonus**, \$20 per %/GJ reduction: up to \$2,000 bonus for 3 or more upgrades

Please use the attached list of available rebates and program brochure to help your customers learn about the rebates they're eligible for. Our online application form makes the process even faster and easier.

Visit bchydro.com/homecontractors to:

- Join our contractor email list
- Access contractor-specific information and resources
- Learn about Home Energy Coach hotline (a free resource for contractors and customers to access support and customized rebates for energy efficiency projects)
- Learn about upcoming industry associations and events

If you have further questions, please email us at alliance@bchydro.com.

Thanks,

Kari Montrichard
